A Taste of David's Refuge

Those attending this unique fundraising event will be given a “taste” of the refuge we offer our guests. Our hope is that you will leave refreshed, restored and renewed as you have partnered with us to love and serve these incredible parents.

September 8, 2017 | Beak & Skiff | LaFayette, NY

Our Mission:

The mission of David's Refuge is to provide a place of respite for parents and guardians of children with special needs or life-threatening medical conditions where they will be refreshed, restored and renewed in their role as caregivers.

Our Story:

The dream for David's Refuge began a few years after Warren and Brenda Pfohl lost their son David to Batten Disease. Throughout his short life David had an incredible influence on the people he met and they wanted to honor his memory by doing the same. In 2011 the Pfohls founded David's Refuge to help support parents who were still on the journey of caring for their children with special needs. They converted a wing of their home into a beautiful B&B and in January of 2012 the dream became a reality when they welcomed their first guests. Now, partnering with local B&Bs and Inns, David's Refuge has had the privilege of serving hundreds of Central New York parents.

On September 8th, we will hold the 4th annual Taste of David's Refuge event to raise funds to continue our mission of providing Care for the Caregiver. Your support will help us to remind these incredible parents that they are not alone, what they do matters and they are loved by God.

We hope you will join in this wonderful and unique event. Welcome to the Taste of David's Refuge.

A Quote From a Guest

David's Refuge reminds us how important it is to spend time together and to continue to make time for our marriage in the midst of all the craziness in our life. These weekends are our opportunity to feel like "us" again, and to do the things that we enjoyed doing before we were consumed with the responsibilities of parenting. David's Refuge has been a tremendous blessing to us and our children. The best gift we can give our boys are parents who cherish one another, and our time away together allows us to recharge and come back ready to face whatever comes our way... together.
